

# THE WESTERN REVIEW

DRAYTON VALLEY, ALBERTA

VOL. II, No. 12. MARCH 23, 1966 PRICE 10¢

Shown above are the winners of the first event and the Pembina Pipe Line Ltd. trophy in the annual Women's Bonspiel held here last weekend. The rink from the Balmoral Business Girls' League also won the visitors aggregate and the McLean Well Servicing Ltd. Trophy. From left to right they are: N. Stone, skip; A. Albers, 3rd; E. Studer, 2nd and M. Hepburn, lead.

## Edmonton Rink Wins Bonspiel

The 9th annual ladies open bonspiel held in Drayton Valley last weekend proved to be a great success. It was the biggest 'spiel yet attempted with 48 rinks competing.

On Saturday evening a banquet was held in the Elk's

hall.

After the meal president Mrs. Betty Waugh introduced all the rinks and welcomed back former residents, Donna Jenkins and Edna Look from the Alberta School Hospital, Red Deer, Pearl Thomison from Spruce Grove, Nadine Fodchuk and Germaine Marshall from Sherwood Park, Joyce Bell, Dexter Kjorlien, Lois Lockwood and Lil Rutherford from Elbow Valley, Calgary, Gail Sware from Edmonton, Marge Walters of Red Deer, Beryl Stevenson and Bernice McMaster from Edmonton. Pam Casey, representing the high school rink, accepted a gift for each of her players from the Ladies Club in recognition of their good curling and sportsmanship at the Edmonton play-downs. A gift of Drayton Valley spoons

## Important Meeting

Mr. Bob Cowan, president of the local Home and School Association stated this week that an important meeting of the association will be held in the Old Elementary School at 8:30 p.m. on Wednesday, March 23rd.

## Wolves Reported In District

Steve Yurchak, owner of the Lazy SY Ranch in the Ramona District 14 miles North and West of Drayton Valley reports that last weekend wolves killed two deer in a hay field on his ranch.

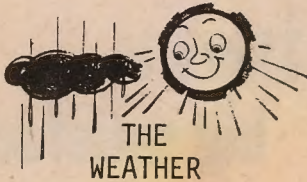

The deer were seen on Saturday at a hay stack and the mangled body of one found at the same place the following morning. Signs showed the other had also been killed and dragged into the bush. Tracks at the scene indicated it to be the work of two wolves.

Further evidence of the activities of the wolves is the large number of tracks of moose, elk and deer along district roads where they have apparently moved to get out of the bush and away from the wolves.

## Donors List

The following is the list of company and personal donors to the Centennial Arena and civic centre project during the first week kick-off of the fund-raising campaign:

Bob's Second Hand Store; Canadian Well Servicing Ltd.; Cardium Supply Co. Ltd.; DeKalb Petroleum Corp. Home Oil Co. Ltd.; Magnet Cove Barium Corp. Ltd.; Medical Centre, Drayton Valley; Mitchell and Associates Ltd.; National Tank Co. Ltd.; Swanee Well Service; Western Decalta Oil Co.; G.E. Sprague; C. Rosenberger; Rocky Rapids 4-H Garden Club; Jeff Germaniuk; Grant Germaniuk; C.R. Wickens; G.C. Campbell; D. Perry; Sparton Controls; Frank Hoge; Claude Alberta Peter Gregerson; S4 Ranch Ltd; Wm. Dusterhoff; W.G. Johanneson.

In the above photo Mrs. Betty McGee, president of the Ladies Auxiliary makes a presentation of a \$1000 cheque for the building fund to Legion president, Jim Dean. The cheque, made out on the Red Ensign, was presented at the St. Patrick's Dance last Thursday.

## New Club Formed

A new ladies club has recently been organized in Drayton Valley. It is a branch of the T.O.P.S. club, which has groups across Canada and United States. The initials stand for "Take Off Pounds Sensibly". The object is to give support and encouragement to anyone with a chronic weight problem, who is trying to lose weight sensibly. Every lady joining the club must have a certificate signed by her doctor.

At the time the group was organized we felt it should be restricted to ladies that have at least twenty pounds to lose. We have since found several women with less than twenty pounds to lose that feel they could benefit from these ladies. If anyone is interested in this group they may come to the Council Chambers on Wednesday evening, March 23rd at 7:30 p.m. in the civil defense room of the Town Office.

If you would like more information you may contact Mrs. Wilma Steeves at 542-3516 after 5:00 p.m.

## FASTER INCOME TAX REFUNDS

EDMONTON -- You will get your income tax refund faster if you fill in your tax form correctly said W.H. Dunwoodie, Public Relations Officer, here recently.

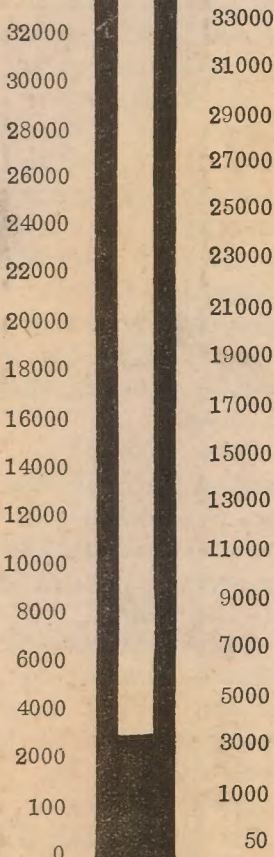

Three out of five Canadian taxpayers received refunds last year, he said. These totalled some \$325,000,000. Spaces often left incomplete on the form include name of wife; names and ages of children; and names, ages and relationship of dependents.

To meet the demands of Canadian hospitals, the Red Cross must collect more than 915,000 units of blood in 1966.

## Centennial Fund Raising Project

Our target to complete financing of the Centennial Arena and Civic Centre is ....

**\$34,000**

Every dollar counts. Won't you help to push the mercury up ???

## D. V. Highlights

BY MRS. EDITH DEBY

Mr. Owen Niehaus has been transferred by his company, Calgary Power, to Camrose. Mr. Niehaus has already gone and his wife and family will be going by the end of March. You are going to be missed, Mr. and Mrs. Niehaus.

Miss DeeDee Hennessey was home for the weekend. DeeDee is taking a business course at McTavishes and is due to finish in the early summer.

The Vern Campbell family and Leonard Urchyshyn were among the Drayton Valley people skiing in Jasper last weekend.

The Drayton Valley 4-H Beef Club toured the Tomahawk Club last Saturday.

Mr. and Mrs. Nick Urchyshyn visited Mr. and Mrs. Michael Burke in Whitecourt on Sunday. Mr. Burke has retired because of poor health. He was with the Forestry Division for some years.

Mr. and Mrs. Ted Mastre visited with Mr. Mastre's mother in Creston last weekend.

Sorry to hear that Mrs. Jack Tyler has been laid low by

the flu bug. The Ed Dahlgrens have settled permanently in Victoria.

Mr. Cull is about again after a week in hospital.

Mrs. William Robinson is home after several weeks spent in University Hospital.

Mrs. M.M. Hamilton has spent the last two months in Westlock Hospital as the result of a fall. The Hamilton's farmed in this area for many years.

Next month wedding bells will ring for Miss Sandra Young, of Highvale, and Mr. Dennis Fry of Violet Grove.

Mrs. Maclure had the misfortune to break a bone in her foot while skiing.

Mr. Harvey Ottman has just completed advance training in high pressure welding and is working in the Fort McMurray area.

Mrs. Meryl Hamilton and small daughter Tara are visiting Mrs. Hamilton's parents, Mr. and Mrs. Edward Hill while Mr. Hamilton, a member of the armed forces, takes courses in Ontario. This fall Mr. Hamilton will begin a four-year tour of duty in Germany.

## Edmonton Rink

Continued from Page 1 was presented to the rink travelling the furthest distance, this was the Coleville, Saskatchewan rink of Bobby Hougen, Muriel Weir, Elsie Neil and Elaine Young.

Drayton Valley is reputed to have the best entertainment in the bonspiel circuit. This year the group of Lil Ross, Dot Booker, Mae O'Rourke, Donna Guild, Helen Paley and Jeanette Miner were outstanding in both performances and Lottie Germaniuk received a great ovation for her Spanish dancing with Lil Ross.

Late Sunday evening Marilyn MacLean presented the trophies and prizes and weary curlers set out for home.

The visitors aggregate donated by MacLean's Well Servicing was won by the Stone rink of the Balmoral Business Girls Club, with N. Stone skipping, A. Albers third, E. Studer second and M. Hepburn at lead. This rink also took the grand challenge which was donated by Pembina Pipeline.

The local aggregate donated by Panky's Enterprises

Ltd. was won by the rink of Ivie Selin with Helen Schipper at third, Shirley Nelson second and Bessie Balen at lead.

In the first event it was the Stone rink in first place with the second place trophy donated by Northwestern Utilities going to the Reed rink from Spruce Grove, third prize was won by the Bell rink from Calgary and fourth by Ivie Selin of Drayton Valley.

In the second event, the rink of Anne Schreder, Dorothy Hopkins, Elsie Weiss, and Glenna Burnett from Leduc won the first place trophy donated by Rex's Radio and T.V. Second prize went to the Wilson rink of Edmonton, third to Anderson of Devon and fourth to Betty Brown of Drayton Valley.

In the third event the Meier Travel Bureau and first prize went to the rink of Emma Lien, Nadine Fodchuk, Germaine Marshall and Pat Goerz of Sherwood Park.

### SHORT COURSES FOR EDSON

The first of these meetings will be held on Friday afternoon, March 25th commencing at 1:00 p.m. in the Provincial Building, Edson. Mr. A.R. Jones, Supervisor, Farm Management, Economics Branch, Alberta Department of Agriculture, Edmonton, will be the speaker. Discussion will centre on management on the farm and the application of "Planning Estates". Come and have many of your questions answered. There are many things which farmers and farm women should know about business affairs. We think urban folk will also find interest in this presentation, including women who may later become administrators. Those who may be interested in Farm Management study groups might do.

well to attend this meeting.

The second short course will be held on Thursday of the following week. The date is March 31st with the time at 1:00 p.m. It will also be held in the Provincial Building at Edson. The speakers and topics for discussion are: Forage Crops - Mr. O.G. Bratvold, Supervisor of Crop Improvement, Alberta Department of Agriculture, Edmonton; Soils and Fertilizers - Mr. A.W. Goettel, Supervisor of Soils, Department of Agriculture.

This event will offer and opportunity for farmers and ranchers to become familiar with pasture and hay crops and their application to this particular locale. Here you may find out about new crops

and newer varieties and proven techniques of production.

Soils are basic in farm operations. Mr. Goettel will discuss handling and how to maintain and increase the productivity of soils. You are invited to come and also invite your friends to come and meet these men. We are hoping that a good number of farm people will come and share experiences of different farm enterprises.

### PLANNING FOR WEED CONTROL

W. Lobay, Supervisor of Weed Control with the Alberta Department of Agriculture, stresses that proper weed control planning should start with the seed that is sown. Make sure it is of good quality, free of weed seeds and is of the most suitable variety. He recommends buying certified seed or at least seed known to be pure and clean. It would be good practice to secure the seed now and save valuable time in the spring.

Soil fertility and good management are extremely important for good weed control. Crop rotations and com-

mercial fertilizers are often necessary for optimum results. The kind of machinery and its working condition must also be taken into consideration. Too often an improperly adjusted one-way tiller or cultivator may result in the roots of perennial weeds being only bruised instead of being cut off.

Herbicides are a valuable addition to good husbandry practices for weed control. Mr. Lobay says that farmers should make a point of getting to know the new ones as well as the old. In this connection it is very important to have weed sprayers in good working order, because many of the

new herbicides need to be applied at even more precise rates than did the old ones. Now is a good time to check over your spray outfit, replace worn or broken parts and if possible have the nozzles checked and calibrated and if necessary replaced. Be sure that the pump is functioning properly to deliver the required pressure.

This could be a good time to come into the Agricultural offices at Evansburg and Edson to discuss your weed problems and find out what the Agricultural Service Board is doing about serious weed infestations and also what assistance may be available.

## In The Legislature

By Mrs. Cornelia R. Wood, M.L.A.

The debate on the budget continued during most of the fourth week in the Legislature with several cabinet ministers giving full reports of the work in their departments. Education Minister, Hon. R.H. McKinnon stated that there is a great deal of money being

spent on educational research and read long lists of topics on which graduates in the Faculty of Education at the University of Alberta have written thesis. He stated that enrolment in junior colleges has risen from 87 in 1961 to 799 this year.

Hon. J.D. Ross, Minister of Health announced new hospitalization rates of \$2.50 per day in all active treatment hospitals and an extra fee of \$5.00 will be charged the patient on entering the hospital, in order to help meet spiralling costs in hospitals. These rates will go into effect July 1st.

Dr. Ross stated that new premiums are being studied for an extended Insurance Health Plan to include prescription drugs, services of chiropractors, naturopaths, osteopaths, pediatricists, psychologists, physiotherapists and optometrists. Most of these will have a limit of \$100 on the total amount of benefits paid for in one year. Increased subsidies will be offered as of July 1st. For those with no taxable income the subsidy will be 80%, for a taxable income up to \$500, it will be 50% and for the new category of taxable income between \$500 and \$1000 the subsidy will be 25%.

Hon. F.C. Colborne, Minister of Public Works answered the opposition members who called the budget "a budget for things not for people" by stating the huge amounts of money estimated in the budget for education, health and

SCHOLARSHIP TRUST

Assures Continuing Education Funds

The Canadian Scholarship Trust Foundation was federally chartered in December of 1960 as a non-profit fundation for the sole purpose of providing a way by which parents, on a purely voluntary basis, can make certain that their children will not be prevented from going beyond high school into advanced training or education, due to financial reasons.

The prominent Canadian educators, business and professional men who established this foundation were very much aware of the fact that Canada suffers in the extreme from a lack of trained and educated people. We have presently reached a point in Canada where our economy will ultimately suffer unless many, many more of our young people have higher training and education made available to them. It is also becoming obviously true that our young people themselves, in order to be properly equipped to make out financially in the coming times, must go on beyond high school.

Our federal and provincial governments, with the coming increase in money allotted to universities, will soon be paying 80 per cent of the cost involved in a student's attendance. Even so, the remainder which will be born by each student presently amounts to approximately \$1,700 per year, on an average in Canada.

During the past ten years, according to our Federal Bureau of Statistics, only 9 out of each 100 of our Grade II pupils actually enter university. This represents one-half to one-third the percentage entering in most other advanced nations. The Association of Canadian Universities and Colleges informs us that out of each 100 Grade II pupils, about 30 have both the ability and the desire to attend university.

The Foundation was formed on the realization that most of this lack of entry into University was due to a lack of the necessary funds. It was realized, of course, that some parents were commencing financial preparations quite early, but with rising costs, these were proving inadequate to cover a full

four-year university course. By forming the Foundation on a non-profit basis, with all of the developed funds going to the enrolled children, parents are able to fully provide for their children's education beyond high school, whether it be four years of University or three years of Technological School, or a less costly trade school. It is a comfort to realize also, that the effort on the part of the parents is very comparable to any other method available.

Some of the members of the Alberta and British Columbia Advisory Board to the Foundation are Dr. H.S. Armstrong, president of the University of Alberta in Calgary; Peter C. Bawden, president of Peter Bawden Drilling Ltd.; Senator Donald Cameron, executive director of the Banff School of Fine Arts; Norman A.M. MacKenzie, president emeritus U.B.C.; John F. McCreary, Dean of the Faculty of Medicine, U.B.C.; Malcolm G. Taylor, president, University of Victoria; Stanley H. Bekins, president, Bekins Moving and Storage Co. Ltd.

For full information regarding the enrolment of children in this fund write to: The Canadian Scholarship Trust Foundation, 10509 81st Avenue, Edmonton, Alberta.

WATER SAFETY COURSE

A new water safety course which will provide leadership training for candidates in the 16 to 18 year-old age brackets has been announced by the Alberta Red Cross.

The course, with the exception of lessons on water front supervision and teaching methods, will be the same as that offered instructors and will include lessons on swimming stroke development, rescue skill practice and instruction on methods of promoting water safety.

Those qualifying under the new course will be referred to as water safety leaders.

Purpose of the course is to provide assistants for instructors teaching Red Cross learn-to-swim programs and to train water safety leaders as a pre-requisite to instructor's training. Currently candidates must be 18 to become instructors.

Berrymoor News

Mrs. Bea Cropley, Correspondent.

About forty-five people of all ages gathered at Barnett's for a sliding party. Some of the young folks went skating about two miles away but they all came in to spend their quarters and dimes on hot dogs, pie, popcorn and cool-aid. A big thank you from the Berrymoor Lifeliners to everyone who made the party a success. The Lifeliners are raising money to buy a projector for the Berrymoor P.H. Church.

Dennis Schwartz who is employed in Vancouver flew home to pick up his truck. Blair Thatcher returned with him to seek employment.

Bill Johnston who has been visiting relatives in Berrymoor recently returned to Williams Lake, B.C.

Deepest sympathy goes out to the Johnston family on the loss of a well-loved cousin who died suddenly of a heart attack recently.

Mr. and Mrs. Cartwright and girls from Whitecourt spent the weekend with Mr. and Mrs. Jack Thatcher.

Mrs. Oak Bouren left Sunday for a few days in an Edmonton hospital. We wish her a speedy recovery.

We were sorry to hear that Mr. Barnett fell and broke his hip. He has been taken to the Royal Alexandra Hospital in Edmonton.

The guests knew that the hostess was without a maid so after dinner was over they helped remove the dishes to the kitchen.

The hostess was horrified when she saw them stacking the plates. "Why did you do that?" she complained; "now I have to wash them on the bottom too."

"ABOUT THE STANDARD BUCKET SEATS, MY WIFE SUGGESTS WE HAVE A FITTING."

## In The Legislature

Cont. from Page 3

welfare was money for people and not things. He gave a full report of the Community Development Branch working with the Federal Indian Affairs Branch in the five successful projects in which the people in Fort Chipewyan and Fort McMurray are engaged in to help themselves in better living conditions.

On Monday Premier Manning moved a motion to establish a committee to study the field of car insurance and report to the Legislature before the end of the Session.

Hon. Ambrose Holowach, Provincial Secretary urged all Albertans to enter wholeheartedly in Centennial projects. He said the 15-car train depicting events from the ice-age to the atomic-age will spend 28 days in Alberta in 1967, starting at Jasper. Motorized caravans complete with stage at which local talent will perform, will visit 81 places, he said.

Mr. Holowach described the Provincial Museum and Archives building being built for \$5,000,000 halved by the Federal Government. Another

Alberta project is an electronic Carillon for the Legislative Building, he reported.

Hon. Gordon Taylor, Minister of Highways made the shortest speech on the budget in history but he told of plans for an elevated restaurant suspended 20 feet above Highway No. 2 about 17 miles South of Leduc. There will be plenty of parking space and four major oil companies will honor all credit cards.

Mr. Taylor announced that the budget contained \$1,000,000 to build roads from main highway to Provincial Parks, which ordinarily were the responsibility of the municipalities.

Hon. R.H. McKinnon, Minister of Education announced a new Foundation Program formula which could mean real cuts in property tax for Education in Alberta.

Hon. Henry Ruste, Minister of Lands and Forests stated that the Wildlife Insurance Fund was low and an extra dollar will be charged this year for wildlife certificates which are part of the license fee.

Tuesday, usually a private members day was unanimously waived to allow Honorable Members to finish up the debate on the budget. At a night sitting after twenty-

four speakers had spoken in the debate, Hon. A.O. Aalborg closed the debate in an hour long summary of talks. He felt that the suggestion of Rev. R. Simpson (S.C. Calgary North) that Alberta should seriously consider giving wheat to the amount of \$5,000,000 to a hungry nation as a centennial project, was worth of merit.

Wednesday the estimates of the Department of Agriculture amounting to \$8,393,102 received close scrutiny. The water resources Branch will commence preparation of a program to develop the provinces' water resources.

*"Playing Queen at a Fiesta can be strenuous as well as enjoyable work," reports Sonia Sau-mier, Expo 67 hostess, who at-tended the famous Carnival of Vera Cruz, Mexico, as "Queen" of Canada and Expo 67. Riding a 40 foot float, designed in Expo's studios, and built in Vera Cruz, "Queen" Sonia was the focus of interest in twice daily parades. Eighteen young Canadian girl trumpeters from Laval, Quebec, marched in front of the float, which flew the flags of Canada and Expo 67, and bore, in Spanish, the slo-gan "Meet me in Canada at Expo 67."*

## Summary AARN Meeting

Fifteen nurses met for the monthly meeting and program at 8:00 p.m. March 9th in the nurses residence.

Report of the executive meeting held February 23rd was given by H. Dahl. Febru-ary minutes were accepted as given. The treasurer re-ported the bank balance and cash on hand and also that the books had been audited.

The opinions of Chapter #33 in relation to the Philo-sophy and Objectives of a Nursing Service in Alberta have been sent to the task committee.

It was felt that more nurses would avail themselves of the American Journals of Nur-sing available in Mrs. Johnke's office if their context were known. In the future the librarian will mention the highlights of the current issue at the monthly meetings instead of bringing several issues to the meetings.

The "Adopt a Patient" committee has received two letters from our patient at Ponoka Mental Hospital in-dicating our letters and gifts are of some benefit. This is the first correspondence since the original letter re-ceived a year ago. Thus it is encouragement to our group to continue correspon-dence and to send magazines and other small items to her.

The problem of storing chapter material in one area instead of by individual mem-bers has been discussed be-fore and will be further in-vestigated in regard to filing cabinet costs.

P. McKellup has received advertising material for the Blood Donor Clinic to be

YOUR RED CROSS

+

THANKS YOU

FOR YOUR HELP

held Monday. April 25th, 2:00 to 4:30 p.m., and 7:00 to 9:00 p.m. At April's meeting volunteers will be asked to help during the clinic.

The January-February news-letter carried a nomination form which was for nomina-ting an active R.N. as a nominee for the district exe-cutive. Consent of nominee, short biographical sketch of same and signatures of five active members were to be on the form by March 25th. Our choice was M. DeCiccio if other circumstances allow her to accept. We feel that although our district includes Edmonton, that if we as a rural area show a desire to have rural members on the executive and that although our nominee may not be elected we have indicated we do not feel that all urban representation is desirable even if the cities may have

the majority of choice leaders. Therefore, active R.N.'s in the North Central District, when you receive your mailed ballot in April with the names of the nominees of your district please consider support of the rural nominee. This may "smell of politics" but per-haps if the areas West of Ed-monton support one person then we may stand a chance

of electing a rural represen-tative by the combined sup-port of the smaller active R.N. groups as compared to the larger groups found in Edmonton, Lloydminster and Camrose which are all in the North Central District.

In regard to the lectures sponsored by Chapter 7 in Edmonton, several members have copies of the program and it will be left up to in-dividuals to attend if they wish us to get in touch with active nurses to perhaps take a carload in.

In keeping with an educa-tional policy, guest speaker for the evening was Miss Gloria Goodrow, Dental Hy-gienist from the Edson Health Unit. Along with her interes-ting talk on the decay process, preventative dentistry, fluori-dation, she included demon-strative slides of these topics. She explained her work in this area and also explained what her dental hygiene course at the U. of A. included. This is a very comprehensive course and is a relatively new field in Alberta. Following a question period lunch was served.

There will be an executive meeting March 30th at the hospital at which all members are asked to bring the papers of their office with them in

order that some organization of Chapter #33 material can be made as well as assessed.

The Whist party held at the hall last Saturday, March 12th was enjoyed by all. There will be another next month.

A baby shower for Mrs. Dorothy Town was held in the hall on Monday, March 14th.

Mrs. Faye Pashko & Brian are visiting her parents, Mr. and Mrs. A. Schenk.

Our regular once a month dance will be held on Friday, March 25th. Music will be supplied by the Ramblers.

Our regular monthly meeting was held at Millbank on Saturday, March 5th. Election of officers returned Clara Bush as secretary and Gordon Ingstrom was elected president with George Moroz, Vice President. Don Gylander showed slides and gave an interesting and informative talk on Co-op Insurance.

The pancake supper held on Sunday, March 13th was a big success with an enjoy-able game of Whist afterwards.

## Curling News

Finals in the Men's Sweater play-offs will go on Wednesday evening at 9:00 p.m. All four sections will be playing off for a set of sweaters courtesy Don McKenzie Men's Wear. The club will be holding a small social after the playoff to celebrate the closing of the regular men's league schedule. It has been one of the greater years at the Club with hardly a defaulted game on record. The support by the members this year has made the operations at the club somewhat easier and it makes the coming years easier to set up.

The club is now planning the upcoming mixed bonspiel. The entry of 48 rinks has now been filled and the draw has been posted at the rink. If you have a rink entered please contact the Curling Club or drop in to see when the first draw starts. The Grand Aggregate Event in this bonspiel is sponsored by the Hudson Bay Company of Drayton Valley. Each year as in the past nine years they have sponsored the prizes. Other events are sponsored by Acme Novelty and Simpson Sears.

The Men's Club playoffs this year will be a single knockout draw, due

In the above photo are winners of the first prize in the second event and Rex's Radio and T.V. Trophy in the Drayton Valley Women's Bonspiel held last week-end. From the left are: A. Schrader, skip; D. Hopkins, 3rd; E. Weiss, 2nd; and G. Burnett, lead. The rink is from Leduc.

to the lack of time each rink will be only allowed a single life. At stake is the Carlings Trophy and miniatures. Draws for this have also been posted under Men's League Draws.

Some of the fanciest shots that have ever been witnessed in curling were executed to a tee during the recent Ladies Open Bonspiel. The calibre of curling in this bonspiel has to be next to none, credit has to go to the Ladies Club can be assured of a full entry for next year's bonspiel.

This is how the rinks finished up after three complete squares of play in the men's regular draw.

"A" Section - Wickens, Bannard, Fiveland, Shimbashi, Cathrea, Shearer, Nelson, Griffith, Rose, Casey. "B" Section - Small, Ewoniak, Bell, Gillis, Streit, Innis, Young, Demers, Wronko, Goble.

"C" Section - Meier, Mattoon, Poloway, High School, MacLean, Matt, Desjardins, and Electrical Contractors. "D" Section - McGaughey, Wall, Leake, Reynolds, Berg, Janzen, Harrison, Barrett, Cochran and Labossiere.

### GUEST SPEAKER AT CHURCH OF GOD

Mr. A.D. Semaru of Camrose who is the field representative for the Church of God will be the guest speaker in our church this Sunday, March 27th.

## FIGURE SKATERS TO MEET

There will be a Drayton Valley Figure Skating meeting to be held on March 28th

at 8:00 p.m. in the Recreation Office of the Town Hall.

## Whitby News

Mrs. E. Kelly,  
Correspondent.

Our March Whist Party drew a nice crowd again and was enjoyed by all. Era Earl Kelly had rounded up the extra tables and chairs with the help of the Club Treasurer, Elsie Dusterhoft. Ed Simmons had just finished putting in some lovely new cupboards in the kitchen, and our new coffee urn had arrived, so it was a simple matter to serve steaming hot, fresh perked coffee "Free"! Ladies first prize went to Hazel Bustin. Men's first to Earl Seibles with the consolation going to Benny Bustin. Mrs. Richardson of Rocky Rapids got the door prize, a Teflon kitchen set.

The community is glad to see Lewis Davidson back home, after a week in the Royal Alex and hope this will be the end of this particular trouble. Also congratulations to Mr. Davidson on winning the Legion jackpot at Bingo on March 12.

The Earl Kelly's were out to Revelstoke the weekend of March 5th and 6th to take in the International and Canadian Ski Jumps. It was a thrilling sight to see the skiers sail like great birds

in flight from 135 feet to a high of 292 feet. This was the top jump of the day in the A class jumping and was made by a boy from Norway.

Two Edmonton boys took first and second in the B Class jumps. It is a funny thing we never heard a thing about these jumps on the Edmonton Sports News. Did anyone else?

Don and Diane Sullivan and little Bradley were seen taking a horse back ride and enjoying the spring sunshine. Don's father, Bud Sullivan owns one of the prettiest horses in this district and the one and only imported pure bred Arab.

See you all at our next Whist, April 15, the last one for this season.

## Bowlers Win Spot In West Final

Congratulations to Lorraine Copeman, Shirley Huber, Joan Wills, Doug Herold, Pat Hurley and Terry Wilner who won a spot on teams to compete April 15th and 16th in Grand Prairie for the championship of the four Western provinces. The team competed in Wetaskiwin over the weekend with other High School bowlers to gain this distinction.

## Community Pasture To Be Investigated By Committee

At the March meeting of the Drayton Valley local of the F.U.A. held recently it was decided to set up a committee of three to investigate the feasibility of setting up a community pasture in the area.

Nominated to act in this regard were B. Urchyshyn, L. Sharkey and L. Tucker.

The meeting voted favorably on a resolution to be presented at the annual district convention calling for increased arbitration awards made on oil leases.

Present assessments have been increased approximately 100 to 300 percent, according to the resolution which asks that arbitration awards be increased proportionately.

B. Urchyshyn, reporting for the en-

tertainment committee stated another pot-luck supper will be held in conjunction with the April meeting.

## Lodgepole News

Mrs. W. Norquay  
Correspondent

Congratulations to Mr. and Mrs. F. Kynock on the birth of a 6 lb. 14 oz. daughter born on St. Patrick's Day, March 17th in the Drayton Valley Hospital.

Diane Schmidt and Karen Knapp were in a recent truck accident, Karen escaped with a broken index finger while Diane is under observation at the hospital.

Other patients who have

been confined to the Drayton Valley Hospital are Brenda Lindsey and Mrs. W. Beckett, Mr. Bill Norquay was also in for an X-ray on his ankle.

Mrs. D. Kynock is a patient in an Edmonton Hospital following an operation.

Mrs. L. Bennett left Friday evening for her home in Miami, Manitoba.

The Lodgepole school boys and girls held their first bonspiel recently with the Ernie Smith rink coming out on top and Miss Cheryl Lee's rink taking second. The skips of the teams were: Bob Schmidt, Paul Tuks, Ernie Smith, Brenda Elliott, Georgett Riopel and Cheryl Lee.

We understand Terry Lindsay's name has been entered by Scout Master, R. Nelson, to represent Lodgepole at a Scout Rally in B.C. Best of luck Terry, we'll keep our fingers crossed for you.

Today's Chuckle:- Two little boys were talking to each other. The first little boy asked, "What would you get if you crossed a Nanny goat with a hoot owl?" The other little boy said, "I don't know, what would you get?" "A Hooten-nanny of course."

## Evansburg News

Mrs. Bruner, Correspondent

The flu still governs the activities of some of the people in the district. For instance, my boys have been all home from school most of the week.

Mr. and Mrs. H. Greaves have gone to Red Deer to see their youngest grandchild who is extremely ill.

Due to travel in the near future are Mr. and Mrs. Cumming who are planning a trip to Scotland.

Mild weather favored the land owners who turned out to vote on the money by-law for school building purposes. The by-law was not voted down so building programmes will go ahead as planned.

Boys in the Cub Pack were seen packing their bird houses to the Pack meeting. Some were painted, some weren't, some were carefully and thoughtfully put together while others were made in a hurry but all the boys did their best and the next pack meeting will see all the houses ready to be put to use in the spring.

We are sorry to hear of the illness of Mr. Davey who is in the Drayton Valley hospital.

By the time this is in print the village and district residents will have had a taste of Monday store closing instead of half day Wednesday closing. I imagine for the first few weekends it will require more thinking to get all the shopping done on Saturday and then like everything else the new store closing day will become old hat to everyone.

## Hospital Auxiliary Holds Regular Meeting

The regular monthly meeting of the Drayton Valley hospital auxiliary was held on March 10th 1966. There were eleven members present.

The auxiliary will hold a rummage sale in the bakery building basement on March 25th and 26th from 2:00 to 5:00 p.m. on both days. The following people have volunteered to drive around and pick up donations for the rummage sale: Mrs. Marion Palmer; Mrs. Anna Jones; Mrs.

Doris Reid and Mrs. Muriel Maclure.

It was decided that members could sew flannelette jacket and diaper sets to be sold in the canteen.

The next meeting of the auxiliary will be held on Friday, April 1st. (Please note the change from the usual second Thursday of the month). There will be a short business meeting followed by a jewelry tea. Everyone is reminded to bring a guest.

## Local Merchant Attends Convention In Winnipeg

Mr. Lin Johnston, owner of Drayton Hardware Sunset Store has just returned from Winnipeg where he attended Ashdown's 9th Annual Convention at the Royal Alexandra Hotel.

Mr. Johnston stated that the Convention had an excellent

merchandising mart featuring the latest in hardware and household needs. He also attended Seminars outlining in detail the latest retail trends.

In the very near future, Drayton Hardware will be featuring private brand merchandise labelled, "West Maid", "Diamond A", "Fleetstream", "Hi-Amp" and many others.

The convention co-incided with the tremendous blizzard that hit Manitoba and parts of the Northern states. He reports snow piled up in enormous drifts that virtually paralyzed the city.

Arthritis, one of the most common diseases, is still somewhat of a mystery as to the cause and cure. However, much is known about successful treatment of the disease in its various forms if it is treated in its earliest stages.

### ATTENTION!

#### PROPANE BOTTLE USERS

NOTICE - ALCOHOLICS ANONYMOUS, PH 542-3268

The most important fact about mental illness is that it is an ILLNESS with no more cause for blame than appendicitis or pneumonia.

As this fact is more widely understood and firmly accepted people will have come a long way from the ways of their inhumane treatment of the mentally ill. There have been many long periods in history when the mentally ill were considered no better than criminals and were left to languish in institutions that were prisons in all but name.

But today, there is a great deal now known about mental illness and how to treat it, although there are still many mysteries that remain to be unravelled. Progress has been made but there is a long way to go yet.
